Surcharge Notice: Low Sulphur Surcharge (LSS) for 2024, 1st Quarter

Dear Valued Partners

New IMO 2020 regulation, reducing the amount of Sulphur Oxides emission has been implemented as of January 1st 2020. In compliance with the new regulation, Namsung Shipping shall take in Low Sulphur fuel to secure a better environment as a member of the global society.

In order to provide the sustainable service and reflect the additional cost, we would like to provide you with the tariff of "Low Sulphur Surcharge (LSS)" over Asia trade services for next quarter (2024.01~2024.03)

Details:

* Surcharge Name: Low Sulphur Surcharge (LSS)

* Period: 2024.01.01~2024.03.31

* Rates

POD POL	CN	TW	HK	PH	VN	TH	SG	MY	ID
JP (DRY)	\$85/\$170	\$85/\$170	\$85/\$170	\$120/\$240	\$120/\$240	\$120/\$240	\$120/\$240	\$120/\$240	\$120/\$240
JP (RF)	\$128/\$255	\$128/\$255	\$128/\$255	\$180/\$360	\$180/\$360	\$180/\$360	\$180/\$360	\$180/\$360	\$180/\$360

* LSS for Reefer containers will be applied 1.5 times higher from standard dry container.

* 2024 LSS will be reviewed quarterly.

Should you have any further questions, please contact local sales representative for more details.

Thank you.

Yours Sincerely,

NAMSUNG SHIPPING CO.,LTD.
