The screenshot shows a web application interface with a top navigation bar containing 'Booking Inquiry', 'Booking Request' (highlighted with a red box), and 'Booking Copy'. Below the navigation bar, there are several input fields: 'Booking No.', 'Status' (set to 'New Request'), 'Ref Booking No.', and 'Template'. A 'Load Previous Booking' button is highlighted with a red box on the right side of the main form. A modal dialog box titled 'Load Previous Booking' is open in the center. It features a 'Booking No.' dropdown menu and a text input field, both highlighted with red boxes. A red arrow points from the 'Load Previous Booking' button on the main page to the input field in the dialog box. Below the input field, there is a bullet point: '過去のBooking情報をコピーすることができます。' (You can copy past booking information.). Below this text is an 'Apply' button, also highlighted with a red box. A red arrow points from the bullet point text to the 'Apply' button. The background of the dialog box shows a blurred view of the main application interface, including a 'Booking and Document PIC' section with 'BOOKING' and 'DOCUMENT' tabs and various input fields.
