BOOKING 保留/お断り 理由確認マニュアル

The screenshot shows a web application interface for booking inquiries. At the top, there are tabs for 'Booking Request' and 'Booking Inquiry'. Below the tabs, there are search filters for 'Booking Date' (2023-09-23 to 2023-10-23), 'Booking No.', 'Departure', 'B/L Shipper', and 'Vessel/Voyage'. A table below the filters shows booking details with columns for 'No.', 'Booking No.', 'Status', 'P/L No.', 'Departure', 'ETD', and 'Arrival'. The first row has 'Verifying' status, and the second row has 'Rejected' status. A red box highlights the 'Verifying' status in the table, and a red arrow points from it to a white 'Alert' popup window. The popup contains the text '在庫確認中のため保留とさせていただきます。' and an 'OK' button.
